

AN ORAL HEALTH QUESTIONNAIRE FOR YOUR EMPLOYEES

My Dental Assessment is an online tool that can help your employees identify oral health risks based on various lifestyle factors and medical conditions.

Once complete, the assessment will generate a detailed report card—developed by dentists—that includes information on the three most common dental issues:

Tooth decay • Gum disease • Oral cancer

Employees can easily print the report card to discuss the results with their dentist, who can answer questions or make recommendations to address any oral health concerns.

Anyone can take the assessment by visiting UnitedConcordia.com/GetMDA

United Concordia Dental members have the option of saving their report card in *MyDental*Benefits, their secure online portal.

Dental plans are administered by United Concordia Companies, Inc., and underwritten by United Concordia Insurance Company, United Concordia Insurance Company of New York, United Concordia Dental Plans, Inc., United Concordia Dental Plans of California, Inc., United Concordia Dental Plans of Pennsylvania, Inc., and United Concordia Dental Plans of Texas, Inc.
